A 2017 Personal Items List is attached. Parents may purchase the list of items from a supplier of their choice.

Each year we negotiate with 3 suppliers to give parents the best option for supply of these items. This year Ziggies Educational Supplies were the most competitive supplier. Orders can be either home delivered prior to the commencement of the 2017 school year, collected in person from the Canning Vale store, or collected from our school shop to be held on Monday 31/01/17 between 8.00am – 9.30am.

If you choose to do so, Ziggies Educational Supplies will accept on our behalf, your child's Excursion/Incursion Charges, Voluntary contributions and P&C contributions.

P&C contribution

The P&C is the parent committee who work together throughout the year to arrange events that both raise funds and bring the LDC parents together to form great friendships and a sense of community. The P&C strives to provide additional resources for the school that improve the children's educational experience. In 2015, the P&C provided funding towards the air-conditioning of the Pre-primary Transportable Classroom. In 2016, the P & C continued to support the school by raising funds to help in the upgrade of the school play areas.
