^{*} If you have completed a different narrative assessment you may attach that raw data in lieu of the administering the Bus Story.

Using The Bus Story

Ask the following questions and record the child's response in the space provided.

Say: "Let's look at the story again." Please note any prompts by writing a P. Score the child's original response to the question (i.e. not the prompted response).

*If you have completed a narrative comprehension assessment for an alternative narrative you may attach that in lieu of administering the Bus Story comprehension questions.

☐ Data for an alternative Narrative Comprehension Assessment is attached.

LANGUAGE SAMPLE *Optional

LANGUAGE SAMPLE:

Please provide a representative language sample that follows the child's lead and reflects the child's typical performance.

- The language sample should contain a minimum of 25 of the child's utterances.
- Please record BOTH the child's and the conversational partner's utterances.
- Make note of any non-verbals such as gestures and any contextual support provided.
- If the child is largely non-verbal please make comments regarding their communicative intent.
- *A video of the interaction can be submitted in lieu of a transcription.

In cases when a child's functional language performance is lower than their language indexes on the CELF-P3/5 or when a child's performance on the CELF-P3/5 exceptionally low but their functional skills are comparatively stronger, it is recommended that referring clinicians provide a **representative language sample video** to assist us in processing the referral.
