Dear Shelley

I am pleased to advise that the Public School Review of North East Metropolitan Language Development Centre has been completed.

I endorse the report and am satisfied it will provide a basis for sustained school improvement.

The timeframe for the next Public School Review of your school has been determined through your self-assessment submission and validated by the review team as 3 years. The review is scheduled for 2026. You will be formally notified in the 2 terms leading up to your school's scheduled review.

I acknowledge the efforts of you and your staff in creating the conditions for successful students. The areas your school and the review team validated for commendation and those for which there are recommendations for ongoing improvement are noted.

You are commended for your leadership which is underpinned by a positive school ethos that maximises the best interests and needs of students each and every day. I note the work of your staff in their effective delivery of data informed individual teaching and learning experiences.

As stated in the initial correspondence, please make the report available to your staff and school community and upload it to your school website and/or Schools Online for a minimum period of 12 months.

I know you, your staff and school community will take the opportunity to use this report to continually improve outcomes for your students.

Yours sincerely

Melesha Sands
Deputy Director General, Schools
