North East Language Development Centre are seeking nominations of Parent Members for the School Board for the 2024 school year. Parents from all three campuses are welcome to nominate by completing the attached form.

There are normally four meetings per year, with one meeting each term. Digital attendance is available if required, however face-to-face attendance is preferred to actively participate in our school improvement agenda.

The NEMLDC Board works with the school community to achieve the best outcomes for students. Board members play an important role in contributing to good school governance so that school resources are used efficiently, and community expectations and the school's priorities reflect the needs of our students.

Active Board members contribute to effective school governance, which leads to better informed decision-making, new ideas, opinions, solutions and stronger connections with the school community.

If you would like to nominate as a Parent Member, please complete the attached form and return to your classroom teacher or your campus office by **Friday 16th February 2024**. The nomination forms will also be available on our school website and at the administration office of each campus.

Please feel welcome to contact our front office on 92181600 or Shelley.Collins@education.wa.edu.au if you would like to find out more about nominating for our School Board.

Kind regards,

Shelley Collins

Principal

North East Metropolitan Language Development Centre
